

**Report to:** Finance Committee, Board of Health  
**Submitted by:** Elizabeth Bowden, Interim Director of Administrative Services  
**Subject:** 2017 FIRST QUARTER FINANCIALS

---

**RECOMMENDATION(S)**

- (a) That the Finance Committee makes recommendation to the Board of Health to receive the 2017 First Quarter Financials, for information.

**BACKGROUND**

Wellington-Dufferin-Guelph Public Health’s (WDGPH) annual budget consists of several sub-budgets based on different funders and funding structures. The sub-budgets have been numbered and these numbers have been used consistently throughout this report. The main budget of the organization consists of the sub-budgets numbered (1) through (7) below. In addition to the main budget, WDGPH receives several community grants for projects which are aligned with and build upon the work of WDGPH in the community. These community grants are numbered (8) through (12) below.

No.	Program/Budget Name	Funder(s)	Year-end
-----	---------------------	-----------	----------

**Cost-Shared Sub-budgets**

1	Cost-shared Mandatory Programs	Ministry of Health and Long-Term Care (MOHLTC); City of Guelph; County of Wellington; County of Dufferin	December 31 <sup>st</sup>
2	Cost-shared Related Programs	MOHLTC; City of Guelph; County of Wellington; County of Dufferin	December 31 <sup>st</sup>

**100% Funded Sub-budgets**

3	100% MOHLTC Funded Programs	MOHLTC	December 31 <sup>st</sup>
4	Healthy Babies Healthy Children	Ministry of Children and Youth Services (MCYS)	December 31 <sup>st</sup>
5	Preschool Speech and Language	MCYS	March 31 <sup>st</sup>
6	Wee-Talk	County of Wellington	December 31 <sup>st</sup>
7	Canadian Prenatal Nutrition Program (CPNP)	Public Health Agency of Canada (PHAC)	March 31 <sup>st</sup>

## External Projects

8	Poverty Elimination Task Force (PETF)	City of Guelph, County of Wellington, United Way Wellington-Dufferin-Guelph	December 31 <sup>st</sup>
9	Children's Report Card	County of Wellington	December 31 <sup>st</sup>
10	Nurturing Neighbourhoods	Family and Children's Services Guelph-Wellington	December 31 <sup>st</sup>
11	My Health e-Snapshot: A Preconception Health Research Study	Women's College Hospital	December 31 <sup>st</sup>
12	System of Care	County of Wellington, KidsAbility, Canadian Mental Health Association (CMHA) Waterloo-Wellington	December 31 <sup>st</sup>

## One-Time Grants

13	2016 One-Time Grants	MOHLTC	December 31 <sup>st</sup> / March 31 <sup>st</sup>
----	----------------------	--------	--

The 2017 budget, approved by the Board of Health on November 2, 2016, only included sub-budgets (1), (2), and (3) above. These sub-budgets, along with the One-Time Grant requests (13) were submitted to the MOHLTC via the Program Based Grants (PBG) submission on March 1, 2017. The provincial funding approval has not yet been received for 2017.

## **PUBLIC HEALTH AND/OR FINANCIAL IMPLICATIONS:**

### **Appendix 1: Cost-shared Mandatory Programs (1)**

*Cost-shared Mandatory Programs are the public health programs and services that boards of health are required to provide to the communities they serve in accordance with the Health Protection and Promotion Act (HPPA), Ontario Public Health Standards (OPHS) and Protocols and the Organizational Standards. MOHLTC funding for mandatory programs is provided on a global basis (as opposed to a line by line basis), and boards of health are responsible for allocating the funding to meet the requirements of the HPPA, OPHS and Organizational Standards according to local needs and priorities.*

### **Current Net Position:**

**Appendix "1"** represents the statement of revenue and expenditures for the quarter ended March 31, 2017, for the Cost-shared Mandatory programs. As reported on the attached statement, there was a surplus totalling \$231,066, 21% of which is from having one less work day in 2017 and 20% of which is the result of long and short-term disability leaves.

Budget to actual variances of greater than \$100,000 are explained below:

**Salary and benefits** expenses were lower than budgeted by \$253,813 for the quarter as a result of: (i) vacancies (\$70K); (ii) maternity leaves (\$17K); (iii) long and short-term disability related leaves (\$45K); (iv) the fact that there is one less work day in the 2017 year than in most budget years (\$49K); and (v) the related benefits savings from both these vacant positions and the fact that the benefits renewal rates were lower than budgeted for (\$70K).

**Information and IT equipment** expenses were lower than budgeted by \$130,332, due to the timing of the Excelicare (electronic medical records software) renewal versus when it was budgeted (budgeted in Q1 but renewal paid in April 2017 (Q2)). Additionally, computer hardware purchases were phased more heavily in the Q1 budget, but most will take place later in the year.

### **Appendix “2”: All Other Programs (2 – 12)**

*Appendix “2” presents the funding received and expenditures made for the quarter for all other ongoing programs at WDGPH.*

#### **MOHLTC Cost-shared Related Programs**

**Vector Borne Diseases** – funding provided for this program must be used for the ongoing surveillance, public education, prevention and control of all reportable and communicable vector-borne diseases and outbreaks of vector-borne disease, which include, but are not limited to, West Nile Virus and Lyme Disease.<sup>1</sup>

**Small Drinking Water Systems** – this funding is provided to support the ongoing assessments and monitoring of small drinking water systems. Under this program, public health inspectors are required to conduct new and ongoing site-specific risk assessments of all small drinking water systems within the oversight of the Board of Health; ensure system compliance with the regulation governing the small drinking water systems; and ensure the provision of education and outreach to the owners/operators of small drinking water systems.<sup>1</sup>

#### **MOHLTC 100% Funded Related Programs**

**Needle Exchange** – This funding is provided for the purchase of needles and syringes, and their associated disposal costs, for the Board of Health’s Needle Exchange Program.<sup>1</sup>

**Enhanced Food Safety** – This initiative was established to augment the Board of Health’s capacity to deliver the Food Safety Program.<sup>1</sup>

**Healthy Smiles Ontario** – This program provides prevention and basic treatment services for children and youth from low-income families who are 17 years of age or under and who do not have access to any form of dental coverage.<sup>1</sup>

**Infectious Diseases Control Initiative** – This funding is provided for the sole purpose of monitoring and controlling infectious diseases and enhancing the Board of Health’s ability to handle and coordinate increased activities related to outbreak management.<sup>1</sup>

**Smoke Free Ontario** – This funding is provided in support of the government’s Healthy Change Strategy and Action Plan. The Smoke-Free Ontario Strategy is a multi-level comprehensive tobacco control strategy aiming to eliminate tobacco-related illness and death by preventing experimentation and escalation of tobacco use among children, youth and young adults; increasing and supporting cessation by motivating and assisting people to quit tobacco use; and protecting the health of Ontarians by eliminating involuntary exposure to second-hand smoke.<sup>1</sup>

**Electronic Cigarettes Act** – This funding was provided to prepare for the implementation and enforcement of the *Electronic Cigarettes Act (ECA)* which was effective January 1, 2016.

**Enhanced Safe Water** – The purpose of this initiative is to increase the Board of Health’s capacity to meet the requirements of the Safe Water Program Standard under the OPHS.<sup>1</sup>

**Chief Nursing Officer** – Funding is provided for the Chief Nursing Officer position at WDGPH. The purpose of the Chief Nursing Officer position in each Board of Health is to enhance the health outcomes of the community at individual, group and population levels, through contributions to organizational strategic planning and decision making; by facilitating recruitment and retention of qualified, competent public health nursing staff and by enabling quality public health nursing practice.<sup>1</sup>

**Infection Prevention and Control Nurse** – This funding is provided to contribute to the cost of a Public Health Nurse, and the majority of the nurse’s time must be spent on infection prevention and control activities.<sup>1</sup>

**Social Determinants of Health Nurses Initiative** – With this funding, public health nurses with specific knowledge and expertise on social determinants of health and health inequities issues will provide enhanced supports internally and externally to the Board of Health to address the needs of priority populations impacted most negatively by the social determinants of health in the Board of Health area.<sup>1</sup>

**MOH Compensation Initiative** – Funding is provided by the Province to subsidize the salary/benefits/stipends for the Medical Officer of Health to ensure compensation falls within the salary ranges outlined in the 2012 Physician Services Agreement and subsequent addendums to that agreement.<sup>1</sup>

#### MCYS Funded Programs

**Healthy Babies Healthy Children** – The MCYS provides funding for this program with the goal of helping children get a healthy start in life. The program does this by helping infants and children up to age six and their families through screening and assessments, supports for new parents and help in finding community programs and resources.<sup>2</sup>

**Preschool Speech and Language** – As the lead agency for the Wellington-Dufferin-Guelph area Preschool Speech and Language Program, WDGPH coordinates the provision of speech pathology services delivered by Groves Memorial Community Hospital, North Wellington Health Care Corporation and St. Joseph’s Health Centre. This funding has a fiscal year of April to March.

County of Wellington Wee Talk - This funding is provided by the County of Wellington to integrate with the speech pathology services available in Wellington County funded by the MCYS under the Preschool Speech and Language program.

Canadian Prenatal Nutrition Program - This funding is provided by the PHAC, on an April to March fiscal year, to deliver a comprehensive program to promote and support optimal nutrition and health in pregnant and early postpartum women who live in difficult life situations.<sup>3</sup>

Other Community Grants - Various other community grants are provided by the municipalities served by WDGPH and other community partners (Family and Children’s Services, United Way, Dufferin Coalition for Kids, Women’s College Hospital, Dufferin Child and Family Services, KidsAbility, and CMHA Waterloo Region). The work undertaken with this funding aligns with the mandate of WDGPH under the HPPA, OPHS and Organizational Standards. This funding provides additional resources to WDPGH to augment the work of the Agency.

### **Appendix “3” – One-time Grants**

*Appendix “3”* presents the one-time grants approved as part of the 2016 Provincial Funding Approval which were deferred to the first quarter of 2017 in accordance with the funding approval provided by the MOHLTC. The one-time grants requested as part of the 2017 MOHLTC funding request are also listed for information purposes.

### **APPENDICES:**

*Appendix “1”* – Statement of Revenue & Expenditures for the quarter ended March 31, 2017 – Cost-shared Mandatory Programs

*Appendix “2”* – Q1 Financial Report 2017: All Other Programs

*Appendix “3”* – Q1 Financial Report 2017: 100% MOHLTC Funded One-Time Grants
