

## COVID-19 Information Bulletin #91

---

**Date issued:** February 4, 2021

**Purpose of bulletin:** To keep local stakeholders informed about COVID-19 and its implications for Wellington County, Dufferin County and the City of Guelph (WDG).

All editions of this bulletin are posted on [our website](#).

**Current WDG Zone Level:** [Provincewide Shutdown – Grey](#), ([O. Reg. 82/20](#))

Please note that [Ontario Regulation 82/20](#) was amended on February 4, 2021 to include the additional measures announced by the [Government of Ontario](#), as outlined in [Enhancing Public Health and Workplace Safety Measures in the Provincewide Shutdown](#).

### Surveillance

- Information about [cases in WDG](#) can be found on our website
- Information about institutional outbreaks can be found in the [Retirement and Long-Term Care Outbreak Bulletin](#)
- Information about [vaccination progress in WDG](#) can be found on our website

### Return to In-Person Learning

On February 3, Education Minister Stephen Lecce announced the dates for the [return of in-person learning](#) in all remaining Ontario public health units. Public and private elementary and secondary schools in WDG region have been approved to return to in-person learning on Monday, February 8. Before and after school child care programs are also permitted to resume on February 8; therefore, February 5 will be the last day for emergency child care.

### Announcements and Changes to Services

- On February 4, the [Government of Ontario](#) announced that it is providing [CEM Specialties Inc.](#) (CEMSI) \$2 million through the Ontario Together Fund to help commercialize and accelerate production of its airborne COVID-19 detector Kontrol BioCloud (BioCloud).
- On February 2, the [Government of Ontario](#) announced that ongoing vaccine delays and reduced shipments have forced them to [update their goal](#) of completing the administration of first doses of COVID-19 vaccines to residents in each long-term care, high-risk retirement and First Nations elder care home to February 10.
- On February 2, the [Government of Canada](#) announced an investment of more than \$64 million through the Immunization Partnership Fund (IPF) to help partners across the country in Canada increase COVID-19 vaccination uptake.

- On February 2, [the Prime Minister, Justin Trudeau](#) announced the government has signed a memorandum of understanding with Novavax to pursue the production of its COVID-19 vaccine at the National Research Council of Canada's Biologics Manufacturing Centre in Montréal.
