1.3 Type of Contract for Deliverables

The selected proponent will be requested to enter into direct contract negotiations to finalize an agreement with WDGPH for the provision of the Deliverables. The terms and conditions found in the Form of Agreement (Appendix A) are to form the basis for commencing negotiations between WDGPH and the selected proponent. [End of Part 1]

PART 2 – EVALUATION, NEGOTIATION AND AWARD

2.1 Stages of Evaluation and Negotiation

WDGPH will conduct the evaluation of proposals and negotiations in the following stages:

2.2 Stage I – Mandatory Submission Requirements

Stage I will consist of a review to determine which proposals comply with all of the mandatory submission requirements. If a proposal fails to satisfy all of the mandatory submission requirements, WDGPH will issue the proponent a rectification notice identifying the deficiencies and providing the proponent an opportunity to rectify the deficiencies. If the proponent fails to satisfy the mandatory submission requirements within the Rectification Period, its proposal will be rejected. The Rectification Period will begin to run from the date and time that WDGPH issues a rectification notice to the proponent. The mandatory submission requirements are set out in Section C of the RFP Particulars (Appendix D).

2.3 Stage II – Evaluation of Submissions

Stage II will consist of the following two sub-stages:

2.3.1 Mandatory Technical Requirements

WDGPH will review the proposals to determine whether the mandatory technical requirements as set out in Section D of the RFP Particulars (Appendix D) have been met. Questions or queries on the part of WDGPH as to whether a proposal has met the mandatory technical requirements will be subject to the verification and clarification process set out in Part 3.

2.3.2 Rated Criteria

WDGPH will evaluate each qualified proposal on the basis of the rated criteria as set out in Section F of the RFP Particulars (Appendix D). The eight (8) top scoring proponents in Stage II will be selected to move forward to Stage III – Interview.

2.4 Stage III – Evaluation of Interview

2.4.1 Rated Criteria

WDGPH will evaluate each proponent based on an interview process to be held at the WDGPH office located at 160 Chancellors Way. The interview will be approximately sixty (60) minutes in length. The top three (3) scoring proponents in Stage III will be selected to move forward to Stage IV – References.

2.5 Stage IV – Evaluation of References

2.5.1 Rated Criteria

WDGPH will evaluate each proponent based on a reference check process.

2.6 Stage V – Ranking and Contract Negotiations

2.6.1 Ranking of Proponents

After the completion of Stage III, all scores from Stage III and Stage IV will be added together and the proponents will be ranked based on their total scores. The top-ranked proponent will receive a written invitation to enter into direct contract negotiations to finalize the agreement with WDGPH. In the event of a tie, the selected proponent will be the proponent selected by way of coin toss.

2.6.2 Contract Negotiation Process

Any negotiations will be subject to the process rules contained in the Terms and Conditions of the RFP Process (Part 3) and will not constitute a legally binding offer to enter into a contract on the part of WDGPH or the proponent and there will be no legally binding relationship created with any proponent prior to the execution of a written agreement. The terms and conditions found in the Form of Agreement (Appendix A) are to form the basis for commencing negotiations between WDGPH and the selected proponent. Negotiations may include requests by WDGPH for supplementary information from the proponent to verify, clarify or supplement the information provided in its proposal or to confirm the conclusions reached in the evaluation, and may include requests by WDGPH for improved pricing or performance terms from the proponent.

2.6.3 Time Period for Negotiations

WDGPH intends to conclude negotiations and finalize the agreement with the top-ranked proponent during the Contract Negotiation Period, commencing from the date WDGPH invites the top-ranked proponent to enter negotiations. A proponent invited to enter into direct contract negotiations should therefore be prepared to satisfy the pre-conditions of award listed in Section E of the RFP Particulars (Appendix D), provide requested information in a timely fashion and conduct its negotiations expeditiously.

2.6.4 Failure to Enter into Agreement

If the pre-conditions of award listed in Section E of the RFP Particulars (Appendix D) are not satisfied or if the parties cannot conclude negotiations and finalize the agreement for the Deliverables within the Contract Negotiation Period, WDGPH may discontinue negotiations with the top-ranked proponent and may invite the next-best-ranked proponent to enter into negotiations. This process will continue until an agreement is finalized, until there are no more proponents remaining that are eligible for negotiations or until WDGPH elects to cancel the RFP process.

2.6.5 Notification of Negotiation Status

Other proponents that may become eligible for contract negotiations may be notified at the commencement of the negotiation process with the top-ranked proponent.

[End of Part 2]

PART 3 – TERMS AND CONDITIONS OF THE RFP PROCESS

3.1.2 Proposals in English

All proposals are to be in English only.

3.1.3 No Incorporation by Reference

The entire content of the proponent's proposal should be submitted in a fixed form, and the content of websites or other external documents referred to in the proponent's proposal but not attached will not be considered to form part of its proposal.

3.1.4 References and Past Performance

In the evaluation process, WDGPH may include information provided by the proponent's references and may also consider the proponent's past performance or conduct on previous contracts with WDGPH or other institutions.

3.1.5 Information in RFP Only an Estimate

WDGPH and its advisers make no representation, warranty or guarantee as to the accuracy of the information contained in this RFP or issued by way of addenda. Any quantities shown or data contained in this RFP or provided by way of addenda are estimates only, and are for the sole purpose of indicating to proponents the general scale and scope of the Deliverables. It is the proponent's responsibility to obtain all the information necessary to prepare a proposal in response to this RFP.

3.1.6 Proponents to Bear Their Own Costs

The proponent will bear all costs associated with or incurred in the preparation and presentation of its proposal, including, if applicable, costs incurred for interviews or demonstrations.

3.1.7 Proposal to be Retained by WDGPH

WDGPH will not return the proposal or any accompanying documentation submitted by a proponent.

3.1.8 No Guarantee of Volume of Work or Exclusivity of Contract

WDGPH makes no guarantee of the value or volume of work to be assigned to the successful proponent. The agreement to be negotiated with the selected proponent will not be an exclusive contract for the provision of the described Deliverables. WDGPH may contract with others for goods and services the same as or similar to the Deliverables or may obtain such goods and services internally.

3.2 Communication after Issuance of RFP

3.2.1 Proponents to Review RFP

Proponents should promptly examine all of the documents comprising this RFP, and may direct questions or seek additional information in writing by email to the RFP Contact on or before the Deadline for Questions. No such communications are to be directed to anyone other than the RFP Contact. WDGPH is under no obligation to provide additional information, and WDGPH is not responsible for any information provided by or obtained from any source other than the RFP Contact. It is the responsibility of the proponent to seek clarification from the RFP Contact on any matter it considers to be unclear. WDGPH is not responsible for any misunderstanding on the part of the proponent concerning this RFP or its process.

3.2.2 All New Information to Proponents by Way of Addenda

This RFP may be amended only by addendum in accordance with this section. If WDGPH, for any reason, determines that it is necessary to provide additional information relating to this RFP, such information will be communicated to all proponents by addendum. Each addendum forms an integral part of this RFP and may contain important information, including significant changes to this RFP. Proponents are responsible for obtaining all addenda issued by WDGPH. In the Submission Form (Appendix B), proponents should confirm their receipt of all addenda by setting out the number of each addendum in the space provided.

3.2.3 Post-Deadline Addenda and Extension of Submission Deadline

If WDGPH determines that it is necessary to issue an addendum after the Deadline for Issuing Addenda, WDGPH may extend the Submission Deadline for a reasonable period of time.

3.2.4 Verify, Clarify and Supplement

When evaluating proposals, WDGPH may request further information from the proponent or third parties in order to verify, clarify or supplement the information provided in the proponent's proposal, including but not limited to clarification with respect to whether a proposal meets the mandatory technical requirements set out in Section D of the RFP Particulars (Appendix D). WDGPH may revisit, re-evaluate and rescore the proponent's response or ranking on the basis of any such information.

3.3 Notification and Debriefing

3.3.1 Notification to Other Proponents

Once an agreement is executed by WDGPH and a proponent, the other proponents may be notified directly in writing and will be notified by public posting in the same manner that this RFP was originally posted of the outcome of the procurement process.

3.4 Conflict of Interest and Prohibited Conduct

3.4.1 Conflict of Interest

For the purposes of this RFP, the term "Conflict of Interest" includes, but is not limited to, any situation or circumstance where:

- (a) in relation to the RFP process, the proponent has an unfair advantage or engages in conduct, directly or indirectly, that may give it an unfair advantage, including but not limited to (i) having, or having access to, confidential information of WDGPH in the preparation of its proposal that is not available to other proponents, (ii) communicating with any person with a view to influencing preferred treatment in the RFP process (including but not limited to the lobbying of decision makers involved in the RFP process), or (iii) engaging in conduct that compromises, or could be seen to compromise, the integrity of the open and competitive RFP process or render that process non-competitive or unfair; or
- (b) in relation to the performance of its contractual obligations under a contract for the Deliverables, the proponent's other commitments, relationships or financial interests (i) could, or could be seen to, exercise an improper influence over the objective, unbiased and impartial exercise of its independent judgement, or (ii) could, or could be seen to, compromise, impair or be incompatible with the effective performance of its contractual obligations.

3.4.2 Disqualification for Conflict of Interest

WDGPH may disqualify a proponent for any conduct, situation or circumstances, determined by WDGPH, in its sole and absolute discretion, to constitute a Conflict of Interest as defined above.

3.4.3 Disqualification for Prohibited Conduct

WDGPH may disqualify a proponent, rescind an invitation to negotiate or terminate a contract subsequently entered into if WDGPH determines that the proponent has engaged in any conduct prohibited by this RFP.

3.4.4 Prohibited Proponent Communications

Proponents must not engage in any communications that could constitute a Conflict of Interest and should take note of the Conflict of Interest declaration set out in the Submission Form (Appendix B).

3.4.5 Proponent Not to Communicate with Media

Proponents must not at any time directly or indirectly communicate with the media in relation to this RFP or any agreement entered into pursuant to this RFP without first obtaining the written permission of the RFP Contact.

3.4.6 No Lobbying

Proponents must not, in relation to this RFP or the evaluation and selection process, engage directly or indirectly in any form of political or other lobbying whatsoever to influence the selection of the successful proponent(s).

3.4.7 Illegal or Unethical Conduct

Proponents must not engage in any illegal business practices, including activities such as bid-rigging, price-fixing, bribery, fraud, coercion or collusion. Proponents must not engage in any unethical conduct, including lobbying, as described above, or other inappropriate communications; offering gifts to any employees, officers, agents, elected or appointed officials

or other representatives of WDGPH; deceitfulness; submitting proposals containing misrepresentations or other misleading or inaccurate information; or any other conduct that compromises or may be seen to compromise the competitive process provided for in this RFP.

3.4.8 Past Performance or Past Conduct

WDGPH may prohibit a supplier from participating in a procurement process based on past performance or based on inappropriate conduct in a prior procurement process, including but not limited to the following:

- (a) illegal or unethical conduct as described above;
- (b) the refusal of the supplier to honour its submitted pricing or other commitments; or
- (c) any conduct, situation or circumstance determined by WDGPH, in its sole and absolute discretion, to have constituted an undisclosed Conflict of Interest.

3.5 Confidential Information

3.5.1 Confidential Information of WDGPH

All information provided by or obtained from WDGPH in any form in connection with this RFP either before or after the issuance of this RFP

- (a) is the sole property of WDGPH and must be treated as confidential;
- (b) is not to be used for any purpose other than replying to this RFP and the performance of any subsequent contract for the Deliverables;
- (c) must not be disclosed without prior written authorization from WDGPH; and
- (d) must be returned by the proponent to WDGPH immediately upon the request of WDGPH.

3.5.2 Confidential Information of Proponent

A proponent should identify any information in its proposal or any accompanying documentation supplied in confidence for which confidentiality is to be maintained by WDGPH. The confidentiality of such information will be maintained by WDGPH, except as otherwise required by law or by order of a court or tribunal. Proponents are advised that their proposals will, as necessary, be disclosed, on a confidential basis, to advisers retained by WDGPH to advise or assist with the RFP process, including the evaluation of proposals. If a proponent has any questions about the collection and use of personal information pursuant to this RFP, questions are to be submitted to the RFP Contact.

3.6 Procurement Process Non-binding

3.6.1 No Contract A and No Claims

This procurement process is not intended to create and will not create a formal, legally binding bidding process and will instead be governed by the law applicable to direct commercial negotiations. For greater certainty and without limitation:

- (a) this RFP will not give rise to any Contract A–based tendering law duties or any other legal obligations arising out of any process contract or collateral contract; and
- (b) neither the proponent nor WDGPH will have the right to make any claims (in contract, tort, or otherwise) against the other with respect to the award of a contract, failure to award a contract or failure to honour a proposal submitted in response to this RFP.

3.6.2 No Contract until Execution of Written Agreement

This RFP process is intended to identify prospective suppliers for the purposes of negotiating potential agreements. No legal relationship or obligation regarding the procurement of any good or service will be created between the proponent and WDGPH by this RFP process until the successful negotiation and execution of a written agreement for the acquisition of such goods and/or services.

3.6.3 Non-binding Price Estimates

While the pricing information provided in proposals will be non-binding prior to the execution of a written agreement, such information will be assessed during the evaluation of the proposals and the ranking of the proponents. Any inaccurate, misleading or incomplete information, including withdrawn or altered pricing, could adversely impact any such evaluation or ranking or the decision of WDGPH to enter into an agreement for the Deliverables.

3.6.4 Cancellation

WDGPH may cancel or amend the RFP process without liability at any time.

These Terms and Conditions of the RFP Process (Part 3):

- (a) are intended to be interpreted broadly and independently (with no particular provision intended to limit the scope of any other provision);

- 2.2 **Entire Contract.** The Contract embodies the entire agreement between the parties with regard to the provision of the Dental Services and supersedes any prior understanding or agreement, collateral, oral or otherwise with respect to the provision of the Dental Services, existing between the parties at the date of execution of the Agreement.

- 2.4 **Failure to Enforce Not a Waiver.** Any failure by WDGPH to insist on one or more instances upon strict performance by the Dentist of any of the terms or conditions of the contract shall not be construed as a waiver by WDGPH of its right to require strict performance of any such terms or conditions, and the obligation of the Dentist with respect to such performance shall continue in full force and effect.
- 2.5 **Changes by Written Amendment Only.** Any changes to the Contract shall be by written amendment signed by the parties. No changes shall be effective or shall be carried out in the absence of such an amendment. Any such written changes shall be included in the definition of Contract.
- 2.6 **Force Majeure.** Neither party shall be liable for damages caused by delay or failure to perform its obligations under the Contract where such delay or failure is caused by an event beyond its reasonable control. The parties agree that an event shall not be considered beyond one's reasonable control if a reasonable business person applying due diligence in the same or similar circumstances under the same or similar obligations as those contained in the Contract would have put in place contingency plans to either materially mitigate or negate the effects of such event. Without limiting the generality of the foregoing, the parties agree that force majeure events shall include natural disasters and acts of war, insurrection and terrorism but shall not include shortages or delays relating to supplies or services. If a party seeks to excuse itself from its obligations under this Contract due to a force majeure event, that party shall immediately notify the other party of the delay or non-performance, the reason for such delay or non-performance and the anticipated period of delay or non-performance. If the anticipated or actual delay or non-performance exceeds fifteen (15) Business Days, then except as any applicable legislation may otherwise provide, the other party may immediately terminate the Contract by giving notice of termination and such termination shall be in addition to the other rights and remedies of the terminating party under the Contract, at law or in equity.

Unless the parties expressly agree in writing to additional methods of notice, notices may only be provided by the methods contemplated in this paragraph.
- 2.8 **Governing Law.** The Contract shall be governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein.

3. NATURE OF RELATIONSHIP BETWEEN WDGPH AND THE DENTIST

- 3.1 **Dentist Power to Contract.** The Dentist represents and warrants that it has the full right and power to enter into the Contract and there is no agreement with any other Person which would in any way interfere with the rights of WDGPH under this Contract.

- 3.2 **Representatives May Bind the Parties.** The parties represent that their respective representatives have the authority to legally bind them to the extent permissible by the Requirements of Law.
- 3.3 **Dentist Not a Partner, Agent or Employee.** The Dentist shall have no power or authority to bind WDGPH or to assume or create any obligation or responsibility, express or implied, on behalf of WDGPH. The Dentist shall not hold itself out as an agent, partner or employee of WDGPH. Nothing in the Agreement shall have the effect of creating an employment, partnership or agency relationship between WDGPH and the Dentist.
- 3.4 **Non-Exclusive Contract.** The Dentist acknowledges that it is providing the Dental Services on a non-exclusive basis. WDGPH makes no representation regarding the volume, or billings, of Dental Services required under the Contract. In the event of WDGPH expanding the provision of Dental Services to additional WDGPH offices or increasing the frequency of provision of Dental Services at 160 Chancellors Way, WDGPH reserves the right to contract with other parties for the same or similar Dental Services as those provided by the Dentist. However, subject to satisfactory performance of the Dentist, the Dentist will have the right of first refusal. WDGPH acknowledges that the Dentist is providing dental services on a non-exclusive basis to other persons or entities.
- 3.5 **Responsibility of Dentist.** The Dentist agrees that it is liable for the acts and omissions of its directors, officers, employees, agents, partners, affiliates, volunteers and subcontractors. This paragraph is in addition to any and all of the Dentist's liabilities under the contract and under the general application of law. The Dentist shall advise these individuals and entities of their obligations under the Contract and shall ensure their compliance with the applicable terms of the Contract. In addition to any other liabilities of the Dentist pursuant to the Contract or otherwise at law or in equity, the Dentist shall be liable for all damages, costs, expenses, losses, claims or actions arising from any breach of the Contract resulting from the actions of the above mentioned individuals and entities. This paragraph shall survive the termination or expiry of this Contract.
- 3.6 **Rules Regarding Subcontracting or Assignment.** The Dentist shall not subcontract or assign the whole or any part of the Contract or any monies due under it without the prior written consent of WDGPH. Such consent will be in the sole discretion of WDGPH and subject to the terms and conditions that may be imposed by WDGPH. Without limiting the generality of the conditions which WDGPH may require prior to consenting to the Dentist's use of a subcontractor, every contract entered into by the Dentist with a subcontractor shall adopt all of the terms and conditions of this Contract as far as applicable to those parts of the Deliverables provided by the subcontract. Nothing contained in the Contract shall create a contractual relationship between any subcontractor and WDGPH.
- 3.7 **Duty to Disclose Change of Control.** In the event that the Dentist undergoes a change in control, the Dentist shall immediately disclose such change in control to WDGPH and shall comply with any terms and conditions subsequently prescribed by WDGPH resulting from the disclosure.

- 3.8 **Conflict of Interest.** The Dentist shall: (a) avoid any Conflict of Interest in the performance of its contractual obligations; (b) disclose to WDGPH without delay any actual or potential Conflict of Interest that arises during the performance of its contractual obligations; and (c) comply with any requirements prescribed by WDGPH to resolve any Conflict of Interest.
