

COVID-19 Information Bulletin #45

Date issued: August 18, 2020

Purpose of bulletin: To keep local stakeholders informed of the quickly-evolving novel coronavirus (COVID-19) situation and its implications for Wellington County, Dufferin County and the City of Guelph (WDG).

Due to the evolving nature of the situation, further updates may be forthcoming. For more information visit www.wdgpUBLICHEALTH.ca.

Surveillance

- Information about cases in WDG can be found on [our website](#)
- Information about institutional outbreaks can be found in the [Retirement and Long-Term Care Outbreak Bulletin](#)
- Information about local assessment centres and testing criteria is available on [our website](#)

Guidance Documents and Directives

- **New:** Ministry of Ontario's [Guidance for Facilities for Sports and Recreational Fitness Activities During COVID-19](#) (August 14)
- **Updated:** Ministry of Health's [COVID-19 Provincial Testing Guidance](#) (August 14)
- **Updated:** Ministry of Health's [COVID-19 Guidance: Summer Day Camps](#) (August 13)

Safely Returning to Work

The Canadian Centre for Occupational Health and Safety (CCOHS) has released the e-course [Pandemic Planning: Reopening for Business](#). This course will guide employers and workers on how to prepare for a safe return to work.

Topics covered in the course include how coronavirus spreads and its symptoms, employer and worker duties and responsibilities in a COVID-19 return to business plan, methods of control (including cleaning and disinfecting), how to manage the workplace and prepare workers for a safe return, and the impacts of a pandemic on mental health.

Announcements and Changes to Services

- On August 17, the [Government of Canada](#) announced that the Canada Revenue Agency has opened applications for Period 5 – the first period of the enhanced CEWS program.
- On August 14, the [Government of Ontario](#) announced that as of August 15, sport, fitness and recreation facilities can have up to 50 patrons for each indoor room, while ensuring physical distancing of at least two metres.

- On August 14, the [Government of Canada](#) announced [Canada's Flight Plan for Navigating COVID-19](#), which is the foundation for Canada's current and future efforts to reduce the public health risks of COVID-19 while travelling by aircraft.
- On August 14, the [Government of Canada](#) announced a temporary measure that will provide a pathway to permanent residency for asylum claimants working in the health-care sector during the COVID-19 pandemic.
- On August 13, the [Government of Canada](#) announced that the Canada Healthy Communities Initiative will provide up to \$31 million in federal funding to support community-led solutions that respond to immediate and ongoing needs arising from COVID-19 over the next two years.

NEW Contact for Physical Distancing Floor Decals

- WDG Public Health has physical distancing floor decals available for community partners to use at their locations.
- If you would like decals, please contact Anna Vanderlaan via email at anna.vanderlaan@wdgppublichealth.ca

Additional Resources

- PHAC's [Canadians Crossing the Border Daily to Attend School in the United States: How to Quarantine at Home During COVID-19](#) (August 14)
- PHAC's [COVID-19 and People With Disabilities in Canada](#) (Updated August 17)

Ongoing COVID-19 Action

COVID Alert App

The [Government of Ontario](#) is encouraging Ontarians to download [COVID Alert](#) on their smartphones. The free, nation-wide app notifies users of potential exposure to COVID-19. Users who test positive for COVID-19 will receive a one-time key from their health authority that they can enter in the app. When the key is entered, COVID Alert will notify other users who may have come in close contact with that person for at least 15 minutes in the past 14 days so they can contact their local public health authority for guidance.

The app uses strong measures to protect data and does not track a user's location or collect personally identifiable information. The Privacy Commissioners of Canada and Ontario were consulted on the development of COVID Alert to ensure the highest level of privacy for users.

COVID-19 Testing

Please go to an [Assessment Centre](#) to get tested. Public Health **DOES NOT** provide testing. No referral is needed. **Bring your health card to the assessment centre** (if you have one). It is OK if it is expired. Presenting your health card allows you to:

- Check your test results online. Public Health only calls those who test positive.
- Be treated or prescribed medication for other respiratory conditions if needed and if this option is available at your assessment centre.
- Move through the testing process faster.

Further instruction will be provided by the clinician at the assessment centre based on individual assessment. Be prepared for increased wait times at the assessment centres.

Check Your COVID-19 Test Results Online

The Ontario government has launched an online [COVID-19 Test Result Viewer](#). This offers fast and secure access to test results on your computer or mobile device. **NOTE: Online test results are only available to those with an Ontario photo (green) health card.**

If you receive a positive result via the online COVID-19 Test Result Viewer, you will have the option to report your information to Public Health through Contact +. Contact + is a voluntary, web-based service for positive results received via the COVID-19 Test Result Viewer. **It does not replace the call you get from Public Health.** Contact + allows you to confirm your contact details as well as review and answer the questions that Public Health will ask you, in advance of your call. You may add this information for up to 48 hours after your positive test result is reported. For more information about Contact + visit the [testing and results](#) page.

Face Coverings Required for Commercial Businesses in WDG

Dr. Nicola Mercer, Medical Officer of Health, has issued an order under Section 22 of the *Health Protection and Promotion Act*.

What this means:

- A face covering is required for any customer, patron, employee or visitor when entering and while on the premises of any commercial establishment in the WDG region. The order will be in effect until rescinded.

For more details on the order and frequently asked questions, [visit our website](#) or contact our call centre at 519-822-2715 ext. 4020.

Individuals who may be exempted from this Order:

- Children under the age of two years.
- Children under the age of five years (either chronologically or developmentally) who refuse to wear a face covering and cannot be persuaded to do so by their caregiver.
- People whose ability to breathe is in any way inhibited by the face covering.
- People that have any other medical reason they cannot wear a face covering safely, such as, but not limited to, respiratory disease, cognitive difficulties or difficulties in hearing or processing information.

Learn more about the [wear and care of face coverings](#).

Health and Safety Sector-Specific Guidance

Sector-specific guidelines and posters to help protect workers and the public from COVID-19 are available from the Government of Ontario. These [guidance documents](#) are being posted and updated as they become available, so check back regularly.

Contact Information for Additional Support
